

Qatar International
Electrical Company

Total
solution
provider

About Qatar International

Qatar International Electrical Co. WLL provides your project with in depth knowledge of the local market & provides worldwide access to latest technology. This combination, backed by experienced management gives our client the confidence to design and complete their project as specified.

QIECO being a "Total Solution Provider" advising their valued clientele on the optimum utilisation of their assure resource. Our name itself is a guarantee of our commitment of ensuring customer satisfaction. We assure you on the quality and excellence of service that you may expect from QIECO.

QIECO is technologically oriented company specialized in the design, implementation, and support of Power, Transmission & Distribution, Extra Low Voltage and Health Care products & solutions serving in different market verticals. We have dedicated enthusiastic and technical savvy technocrats who are highly experienced professionals with vast technical expertise.

Since its incorporation, QIECO continues to be a professionally managed trading and engineering company in the middle East. QIECO has been one of the major suppliers of electrical, industrial communications and medical products to the utility, petrochemical, oil & gas and construction industry.

Our Partners - Power, Transmission & Distribution

Here is the list of some of our major business partners, for whom we are proud to be their agents in the Middle Eastern region.

Emirates Transformer & Switchgear Limited
 الإمارات للمحولات والمفاتيح الكهربائية المحدودة

Cubicle Panels
 Submain Boards
 Low Voltage Feeder Pillars
 Distribution Transformers upto 2500 kVA
 Power Transformers upto 30 MVA
 Package Substation
 Ring Main Units

Lucy Switchgear

Medium Voltage Vacuum Circuit Breaker
 SF 6 & Oil Insulated Ring Main Unit upto 36 kV
 Metering Units
 Low Voltage Feeder Pillars
 Low Voltage Fuse Gear
 Distribution Boards & Metering Cabinets

AEG
 POWER SOLUTIONS

110 V & 48 V, DC Battery Chargers
 DC & AC UPS System
 Inverters & Converters

SAFT

Sealed Nickel Cadmium Batteries

WALLIS

Lighting & Earthing Protection
 System to BS & IEC standards
 Electronic date System Protection
 Cu-nnect Exothermic Welding
 Fasteners

TOFCO
 LIMITED

Street Lighting Cut-outs
 2, 3 & 4 Module Isolator (FMI) Unit
 Voltage Regulation Unit
 Fuse Units

Cast Resin Transformer upto 2.5 MVA
 24 KV Voltage grade
 Rectifier & Furnace transformer,
 Oil immersed transformers upto 100MVA
 170 KV voltage grade
 Compact Sub Stations

Transformer Monitoring System - TMS
 Transformer diagnostics & Oil Analysis

Generator power transformers
 upto 800 MVA, voltage upto 420 kV
 Transmission transformers and autotransformers
 with rating upto 600 MVA, voltage upto 420kV
 Transmission and distribution transformers with
 rating upto 2.5 to 100 MVA, voltage upto 170kV

Pole mounted Transformers
 from 50 kVA upto 300 kVA.
 Distribution, power and special
 transformers from upto 63mVA & 170kV

11 kV Indoor Vacuum Switchgear
 Distribution package
 Sub Stations & LV Switchboards

Wall & Glass Mounted Exhaust Fans
 Cabinets Type & Ceiling Mounted Fans for
 residential & light commercial applications
 Industrial Ventilation System

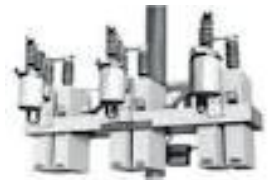

COOPER
Bussmann

11 kV & Low Voltage Fuse covering
BS IEC and UL standards
11 kV Drop Out Fuse Gear

Power Systems

11 kV & 36kV Automatic Recloser
with Integrated Electronic System

BURN

British Standard Conduit & Fittings
BS4568 Part 1 & 2 Class 4,
BS EN 50086-1:1994,
BS EN 50086-2:1996

DENSONS

11 kV upto 36 kV Heat Shrink
Termination & Accessories
Transition & Straight
Cable Joints upto 36 kV
Cold Pour Resin Low Voltage Tee Joints

SÜDKABEL

High & extra-high voltage cable system &
accessories in range from 66 upto 550kV
Medium voltage cable &
accessories upto 36kV

TFKable

Fire Resistant, Flame Retardant
Halogen Free
Low Smoke Cables & Wires

PRYSMIAN

FP 100 & FP 200
Gold Fire Resistant Cable
FP 400 & 600 Cable
Full Range of Fire Performance Cable

Our Partners - Extra Low Voltage

Public Address Systems for Railways,
 Airport, Highways, Causeways & Industries
 Weather/Fire Proof Emergency Call Pillars for Highways,
 Railways
 Intercom / Paging Systems
 CCTV system

Intelligent Controllers
 Smart Readers
 Biometric Solutions
 Visitor Card Management Software

Weather & Explosion proof Telephone sets
 Weather & Explosion proof Hoods
 Industrial Intercom

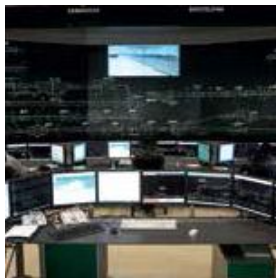

Safety, Security & Communication

Public Address Systems
 Intercom Systems
 Video Systems
 Voice Communication Systems
 Access Control Systems

Oil & gas exploration
 Chemical environment
 Steel & Heavy Industry
 Power Plants
 Cement & Glass Industry
 Port authorities

Commercial Services

Hospitals
 Stadiums
 Shopping Malls/ Hotels
 Schools & Universities
 Banks

Our Partners - Health Care

Vision Technology
Systems GmbH

Vertical units in metal &
wooden Finishing
Horizontal units for Normal
and Intensive care wards
Tailor made Architectural Solutions
Medical Bed Head Unit

Al Wakra Hospital,
Qatar

Bringing the
latest & innovative
technological solutions
to the market
